¹ This preliminary draft Table of Contents is an outline of the draft texts prepared by negotiating groups and the TCI. Further negotiations may result in the elimination, modification, or repositioning of existing draft text—i.e., titles, subtitles, or text—or the addition of new titles, subtitles, or text.

² After the initial section on general and institutional issues, the order of the chapters follows their order in the first version of the draft FTAA Agreement as posted on the FTAA official web page.

³ This preliminary draft Table of Contents is based on the draft texts prepared by negotiating groups and the TCI as reflected in their respective reports to the TNC. Modifications have been made in the fonts and alignments of the titles, subtitles and articles in these draft texts as appropriate for purposes of consistency in presentation of the preliminary draft table of contents. Footnotes to the titles, subtitles and articles, as well as subheadings under articles have not been included in this preliminary draft Table of Contents.
